

Your Reliable Partner for Infor ERP Integrations

HubKor is a cloud-based integration platform that sync tightly between many best-of-breed Cloud applications to Infor cloud and On-Prem ERP Solutions.

Expensify is a cloud-based expense management platform designed to simplify and automate the pre-accounting process. Founded in 2008 by CEO David Barrett, it offers real-time data processing for managing expenses and transactions. Scalable and user-friendly, Expensify is ideal for small businesses and individuals, streamlining receipt tracking and expense management effortlessly.
